I know many of you are wondering what the new school year will look like and what

to expect on the first day

. Please click on [The First Day of School](#) and [COVID Protocols for the Fall](#), and take the time to review this information.

- The school year will be in person, and there is no remote learning option.
- Students from age 5 to Grade 8 are mandated by the state to wear masks in school. Please refer to the updated [COVID Protocols for the Fall](#) document for more details.
- Students under age 5 are strongly recommended to wear masks in school. Please
